Address: _____

Phone: _____

Account#: _____

Effective tax year: _____

Legal Description: _____

Total number of acres to be removed from Agricultural Valuation: _____

PLEASE **REMOVE** AGRICULTURAL VALUATION FROM THIS PROPERTY.

Signed: _____ Date: _____

Please be advised that as of the effective date on this letter, there will be no agricultural valuation on the above described property. Rollback taxes will not be assessed on the property, unless the appraisal district determines that there has been a change in use or there is no use of agricultural production on the property. On or after Jan. 1, 2008, an individual is not entitled to have land designated for agricultural use if the land secures a home equity loan described by Article XVI, Section 50(a)(6), Texas Constitution.

DCAD Representative: _____ Date: _____

A new application must be completed in order to reinstate the agricultural valuation. The application deadline is April 30th. All applications received after April 30th will be subject to a 10% late filing penalty. If the application is not received before appraisal roll certification in July, agricultural valuation will not be reinstated.
